

67 Macquarie Street Mayfield NSW

4 2 1

Ideally located this affordable rental with a northerly aspect will not disappoint.

This home features 4 bedrooms, 3 which are in the main house and the fourth in a separate building at rear, built in robes to 3 bedrooms, air conditioning, sunroom at the front of the house, 2 bathrooms and open plan kitchen.??

Outside there is a huge covered entertaining area, large teenage retreat (fourth bedroom) additional workshop/storage area, and a fully fenced private yard.??

Handy drive access to backyard with a parking space, close to schools, shops and transport completes the package and makes this a great property.
